

# Professor Robert Marvin

*A master class series in Melbourne:*  
Attachment and care-giving in the pre-school years: Research and clinical processes

**17 August, 6.30pm-8.30pm** *EVENING SEMINAR*

The dark matter of love: Love, loss, attachment and early development

Venue: Ella Latham Theatre, Royal Children's Hospital, 50 Flemington Road, Parkville Vic

Cost: \$30 for ARACY members, \$50 for non-ARACY members

An evening seminar focused on rebuilding children's attachment after trauma and loss. Professor Marvin will discuss the importance of the attachment framework for understanding the implications of ruptured care-giving experiences, especially for children experiencing abuse and neglect.

**18 August, 9.00am-5.00pm** *DAY SEMINAR*

Attachment: What matters, what works and what translates?

Venue: Deakin Prime, Level 3, 550 Bourke Street, Melbourne Vic

Cost: \$350 for ARACY members, \$400 for non-ARACY members

A one day program centring on social and early emotional development and the contemporary place of the attachment paradigm within it. The focus will be on what matters, what works and what translates, looking at the findings of longitudinal research, intervention studies and clinical trials, and local and international experiences in practice and at the population level.

**19-28 August** *ACCREDITED TRAINING WORKSHOP*

Pre-School Strange Situation Procedure

Venue: Deakin Prime, Level 3, 550 Bourke Street, Melbourne Vic

Cost: \$2,900

An 8-day intensive training program for running, coding and applying the Pre-School Strange Situation Procedure (Marvin and Cassidy, 1992). The Strange Situation Procedure approach to assessing patterns of attachment is the "gold standard" for research and clinical assessment in the area of pre-school attachment. Strictly 20 places will be available to eligible participants.
